

How to login to CMAP

1. You first need to see your adviser or officer in charge of CMAP so that you can get registered for CMAP.
2. Once you have been registered, you will need to go to the PBL national website at www.fbla-pbl.org and hover over Phi Beta Lambda for the drop down menu and then click on Career and Membership Achievement Program.
3. Click preview activities on any level. This will take you to the CMAP page.
4. To the right of the screen, you should see a link that says "Student Login."
5. Click on "Student Login."
6. You will be taken to a login page. Here, you will need your chapter number and your unique login password (your password should be given to you upon registration completion; if you have lost or forgotten your password, please see your adviser or officer in charge of CMAP for this info.).
7. Each level is different. Everyone will need to start out on the Director Level.
 - a. For the Director Level, you will need to complete a total of 10 activities ; three in the Service Section (with the first activity being required); three activities in the Education Section (with the first activity being required); and four activities in the Progress Section (with the first three being required).
 - b. For the Executive Level, you will need to complete a total of 12 activities; with three activities in the Service Section (with the first two being required); four activities in the Education Section (with the first two being required); and five activities in the Progress Section (with the first activity being required).
 - c. For the President Level, you will need to complete a total of 12 activities; with three activities from the Service Section (with the first activity being required); four activities from the Education Section (with the first activity being required); and five activities from the Progress Section (with the first two activities being required).
8. When you are finished with your level, you must notify your adviser or officer in charge of CMAP so that your level can be submitted and so that you can be registered for the next level.
